## About the Burien 2044 Advisory Committee

On Friday, June 16, 2023, members of the Burien Planning Commission resigned in response to Burien City Council actions at a special meeting the previous evening. For that reason, the Burien 2044 Advisory Committee will continue its work as an ad-hoc committee.

In its advisory role, members of the committee will provide advice and opinions to staff and consultants regarding the Burien 2044 Comprehensive Plan periodic update. Meeting agendas, minutes and exhibits will be published [online](#), and meetings will be open to public observation either in-person or online via Zoom. Members of the public will be provided an opportunity to speak via Zoom to advisory committee members at the end of each meeting.
